REQUEST FOR REFUND

The applicant respectfully requests a refund of the \$600 fee paid with the response to the Notice to File Missing Parts of Provisional Application mailed on June 28, 2001. This application was filed as a utility application on March 26, 2001. After receiving indication that the United States Patent and Trademark Office (the "Office") had assigned the application a provisional serial number, the applicant submitted a Request for a Utility Serial Number on June 20, 2001. Eight days later, on June 28, 2001, the Office mailed a Notice to File Missing Parts of Provisional Application erroneously requesting a filing fee and late surcharge for a provisional application.

Although the applicant's Request for a Utility Serial Number was still pending, the applicant responded to the erroneous Notice to File Missing Parts of Provisional Application on October 10, 2001, mistakenly submitting the requested fees for a provisional application. Copies of the erroneous Notice and the applicant's response are attached. The applicant subsequently received notice that the erroneous provisional application number had been corrected, as well as a Notice to File Missing Parts of Nonprovisional Application. The applicant fully responded to this latter notice, with fees totalling \$1,808. Copies of the Notice of New Assigned Application Number, the Notice to File Missing Parts of Nonprovisional Application, and the applicant's response are attached.
